Dogs under 12" must complete a 300 yard course with 4 turns. For complete rules and requirements, visit [akc.org](http://akc.org). Each dog which passes the course will receive an orange qualifying ribbon.

**CAT Title:** Three titles will be awarded to dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on the dog's pedigree with a higher-level title superseding a lower-level title.

- 1) Coursing Ability (CA)-awarded to a dog that passes the coursing ability test 3 times under at least two different judges
- 2) Coursing Ability Advanced (CAA)-awarded to a dog that passes the Coursing Ability Test 10 times
- 3) Coursing Ability Excellent (CAX) - awarded to a dog that passes the Coursing Ability Test 25 times

What Must a Dog Do to Pass the CAT? The Coursing Ability Test (CAT) is a pass/fail test. During the test, the dog runs the course once, without any other dogs. Because safety is of the utmost importance, the CAT takes into consideration the individual dog pursuing qualification and therefore has two different course lengths to accommodate the type and size of the entrant. In either case, dogs will chase a lure made of plastic strips.

Dogs Less than 12" tall & "Flat-Faced" Dogs: Any entrant that is less than 12" tall at the withers and/or a brachycephalic shall run a 300 yard course with turns no more acute than 90 degrees. For a 300 yard course, the dog must complete the test in less than 1 minute.

Dogs more than 12" tall: Any entrant that is taller than 12" at the withers and not brachycephalic shall run a 600 yard course (or as close to 600 yards is possible) with turns no more acute than 90 degrees. For 600 yard course, a dog must complete the test in less than 2 minutes. If there is a question which course a dog should run, the judge will decide.

Shorter Distance For Veterans: Veteran dogs may be allowed to run 2/3 of the normal distance, at the handler's discretion. For the purpose of CAT tests, "veteran" dogs are defined as dogs over 7 years of age. The handler must declare prior to the start of the dog's run which distance the dog will run. This means that a veteran dog which would normally run the 300 yard course may run 200 yards and a veteran dog which would normally run 600 yard course may run 400 yards. Time to complete the course remains the same. Veteran dogs completing the shorter course will continue to earn legs toward the current CAT titles

In order to pass, the dog must complete the course with enthusiasm and without interruption within the maximum amount of time for the course length. The time ends when the dog completes the course, not when the dog is leashed. A dog that relieves itself on the course shall fail the test.

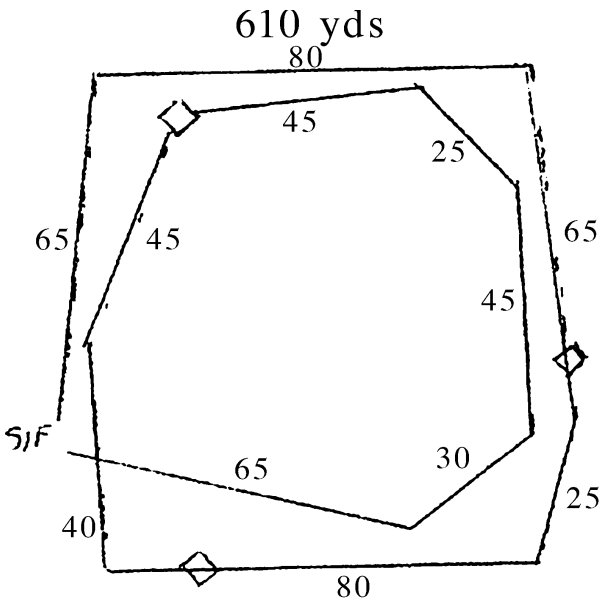

The judge keeps the official time and is solely responsible for deciding the merits of the dog's performance

Ribbons & Prizes: A flat orange ribbon is awarded for successful completion of the CAT test.

# AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
